Dear Mr. Soler:

Thank you for agreeing to participate in the Business Roundtable. This group will help shape the goals and priorities of my administration, as well as build a stronger alliance between the public and private sector.

I cordially invite you to join me at the launch of the Business Roundtable on Thursday, January 26, from 11:30 am to 1:00 pm at Ascent MKE, 700 E. Kilbourn Avenue. While many of our future meetings will be virtual or hybrid, I am looking forward to meeting you in-person and thanking you for your participation.

This roundtable will bring together leaders from across Milwaukee with a diversity of experiences and perspectives and a desire to make Milwaukee's economy more vibrant. Through these discussions, I hope we can develop a comprehensive understanding of both the headwinds Milwaukee faces, now and in the future, and the opportunities needed to create a competitive for everyone.

Thank you for your dedication to growing and diversifying Milwaukee's economy and building a bright future for our city. I look forward to seeing you January 26th and to your contributions in the Business Roundtable. Please confirm your attendance with Molly King from my office at molly.king@milwaukee.gov or 414-286-2200

Sincerely,

Cavalier Johnson
